3. All existing orders relating to the pay and pensions of these Services, in so far as they are not inconsistent with these rules, or with the provisions contained in Schedule VI, are hereby confirmed.

4. Overseas pay will be drawn in sterling by—

(*a*) officers other than members of the Indian Educational Service (Women's Branch) who at the date of their appointment to the services or posts specified in Schedule I had their domicile elsewhere than in Asia;

(*b*) military officers to whom Schedule I relates who at the date of their first appointment to any post borne on the cadre of a Civil Service had their domicile elsewhere than in Asia;

(*c*) officers other than those included in clause (*a*) or clause (*b*) who are entitled to overseas pay and who belong to one of the services specified in Schedule II, during such period as they may have either a wife or legitimate child resident elsewhere than in Asia.

Note 1.—Officers claiming to draw overseas pay in sterling under clause (*c*) must establish to the satisfaction of the High Commissioner for India the fact that they have a wife or child resident elsewhere than in Asia and that the child is under the age of 24, and, if a female, unmarried.

Note 2.—For the purposes of this rule domicile shall be determined in accordance with the provisions of Appendix B to Schedule IV to these Rules.

Note 3.—In years in which no rate of sterling overseas pay is shown overseas pay will be drawn in rupees.

5. Save as provided in Rule 4 and Rule 8, overseas pay shall be drawn in rupees.

6. II.

SUPPLEMENTARY REGULATIONS GOVERNING THE DRAWING OF BENEFITS FROM THE GENERAL PASSAGE FUND, MADE UNDER REGULATION 15 IN SCHEDULE IV BY THE GOVERNOR-GENERAL IN COUNCIL, 6TH FEBRUARY, 1925.

Part I.—Passages by Sea.

(1) Every application by an officer for a passage by sea shall be made to the audit officer by whom his pay is audited; provided that if the officer is in Europe the application shall be made to the High Commissioner for India. If the application is made to the High Commissioner, the officer must present with his application a

certificate from the audit officer stating the amount in the General Passage Fund at the credit of each person for whom a passage is to be taken

(2) The application shall specify the persons for whom it is desired to secure passages. If the audit officer or the High Commissioner, as the case may be, is satisfied that any benefit is admissible under the rules, he will furnish to the applicant a certificate stating the maximum cost of the passage which may be engaged for each such person at the charge of the General Passage Fund.

(3) When the officer engages the passage or passages he will present to the steamship company the certificate and on receiving the ticket or tickets will give the Company a receipt in the form prescribed showing the accommodation engaged, the persons for whom engaged and the cost. If the cost of any ticket should exceed the amount entered in the certificate, the difference must be paid by the officer himself.

Note 1.—Although the benefits admissible from the General Passage Fund are stated in terms of the cost of passages by P. & O., an officer is free to choose the line of steamers by which he will travel, and to book a passage in a class lower than P. & O., 1st class B. The saving accruing from the exercise of either option will remain at credit in the Personal Passage Account of the person or persons concerned and can be used towards meeting the cost of additional passage or passages engaged in excess of the number of P. & O. 1st class B passages, the value of which is credited in the Personal Passage Account.

Note 2.—Nothing in the wording of the supplementary regulations is intended to restrict the employment of agents in booking passages or in other transactions with the steamship companies.

(4) If for any reason the officer, after obtaining the certificate but before presenting it to the steamship company, finds that he does not desire to use it, he should return it without delay to the audit officer or the High Commissioner, as the case may be.

(5) If the officer, after presenting the certificate to the steamship company, cancels the passages which he has engaged, he should at once inform the audit officer or the High Commissioner, as the case may be, that he has done so; he should also take steps to obtain back the certificate from the steamship company and return it to the audit officer or High Commissioner.

(6) If the officer cancels a passage engaged by him, for the cost of which the steamship company has presented a claim for payment, he should, besides communicating with the company, immediately inform the audit officer or the High Commissioner, as the case may be, who will apply to the steamship company for a refund. No refund will be made except to the audit officer.

(7) Any amount forfeited by the officer as a result of cancelling a passage in circumstances where the steamship company is entitled to claim such forfeiture, shall be debited to the passage account concerned.

(8) The above rules do not apply in their entirety to cases in which an officer in India wishes to obtain a passage or passages for his family resident outside Asia. In such cases, the application should be made by the officer to the High Commissioner and supported by a certificate from the audit officer in India stating the amount in the General Passage Fund at the credit of each person for whom a passage is to be taken. The application should specify the persons for whom it is desired to secure passages, and should contain full information as regards the steamer line and the route by which it is desired to travel and the class of accommodation required. On receipt of such an application, the High Commissioner will, on behalf of the officer, arrange with the steamship company for the required passages, if he is satisfied that the cost of such passages is admissible under the rules.

If the cost of any such passage exceeds the maximum amount admissible therefor under the rules, the officer must arrange for the payment of the difference to the High Commissioner before the passage is engaged. As soon as the necessary arrangements have been made by the High Commissioner, he will intimate the fact with full particulars to the officer concerned, as well as to the audit officer in India. If for any reason the officer after obtaining the certificate from the audit officer but before forwarding it to the High Commissioner, does not desire to use it, he should

return it without delay to the audit officer. If, after forwarding the certificate to the High Commissioner, it is found that the passages are not required, or if passages already engaged are cancelled, the officer will be responsible for intimating the fact promptly to the High Commissioner, and for returning the ticket or tickets to the High Commissioner. He will be similarly responsible for intimating promptly to the steamship company the cancellation of a passage already engaged. On receipt of the intimation, the High Commissioner will take steps to obtain a refund from the steamship company where necessary, and will also inform the audit officer in India of the non-utilisation of a certificate presented to him or the cancellation of a passage

(9) An officer, who at the time of proceeding on leave declares his intention of retiring from service, is entitled to draw on the Passage Fund for single passages only. If, however, no such declaration is made but the officer draws on the Passage Fund for return passages whether for himself, for his wife or for his children and retires on the termination of leave, he should return the unused half of the return ticket or tickets which have not been utilised, to the Audit Officer concerned in India who will watch for the return of the unused halves of the return tickets, and obtain from the Steamship Company concerned a refund in respect of the return passage or passages. If, however, the return halves are actually utilised, the Audit Officer should realise from the officer concerned, the cost thereof. In cases in which an officer who does not return to duty actually uses the return ticket or tickets for the journey back to India the cost of the same will be recovered from him unless the Governor-General in Council is satisfied that the officer was prevented, by circumstances beyond his control, from returning to duty.

There may be cases in which the High Commissioner arranges return passages for officers returning to India for a short shell of duty prior to retirement. If in any such case the return half of the ticket or tickets is not utilised, it should be returned to the Audit Officer concerned in India. If the officer does not actually join duty, the entire cost of the return passage, or the cost of the journey to India only, according as the return half of the ticket or tickets is or is not used, will be recovered from him.

When an officer takes return passages for himself and his wife $\frac{\text{and}}{\text{or}}$ children and returns to duty in India leaving his wife $\frac{\text{and}}{\text{or}}$ children at home or when an officer while on duty in India sends his wife $\frac{\text{and}}{\text{or}}$ children out of Asia on return tickets of which the second halves are not utilised, he should return the unused half of the return ticket or tickets to the Audit Officer concerned in India. If, however, the second halves of the return tickets are actually utilised, the officer should make a declaration in due course to the Audit Officer that the tickets have actually been utilised.

No refund will be made by a Steamship Company under this rule except to the Audit Officer, who will make the necessary adjustment of the amount between the officer and the Government if the cost of the passage involved or any portion thereof has been borne by the officer.

Part II.—Journeys by Land.

(1) Every application by an officer for the benefit permissible under Regulation 8 shall be made to the High Commissioner for India. As an exception to this general rule, if the officer obtains from the steamship company in India a through ticket covering the overland journey he may make his claim to the audit officer in India for the whole journey including the cost of the journey by land.

(2) No claim is admissible in respect of a railway journey performed in India or in the country of destination, provided that a person travelling on a through ticket to or from London may make a claim in respect of the journey between London and the Channel port.

(3) The amount payable in respect of a journey by land shall in no case exceed the cost of an ordinary first class railway fare by a direct route.

Note.—In cases where the cost of the journey by land exceeds the ordinary first class fare by a direct route, the difference must be paid by the officer himself.

(4) The application shall specify the persons for whom the benefit is claimed and shall state the facts of the claim in sufficient detail to enable the High Commissioner to satisfy himself that the prescribed conditions are fulfilled. The officer shall be bound to furnish such further information as the High Commissioner may require for this purpose.

(5) In the case of a journey from India the claim should be accompanied by—

(*a*) a declaration signed by the officer that the land journey was actually performed by the persons on whose behalf the claim is made; and

(*b*) a certificate, which the officer should obtain from his audit officer in India, showing the amount to which he is entitled in respect of the journey from India and the cost of the passage actually engaged.

Note.—If an officer intends to present a claim to the High Commissioner under this regulation he should in his own interests take steps to obtain the certificate referred to in clause (*b*) before he leaves India.

(6) In the case of a journey to India the officer shall submit to the High Commissioner a declaration stating the route by which he, or the person on whose behalf he makes the claim, intends to travel.

(7) The procedure laid down in rule (8) of Part I will govern cases in which an officer in India wishes to obtain from the steamship company a through ticket to India covering a journey by land for a member of his family resident outside Asia. In cases where such a land journey is to be performed otherwise than on a through ticket, the application for the cost of the land journey should be made by the officer to the High Commissioner simultaneously with the application for a sea passage made under rule (8) of Part I. With the application the officer should submit to the High Commissioner a declaration stating the route by which the person on whose behalf he makes the claim desires to travel and the class of accommodation required. On receipt of such an application the High Commissioner will arrange for the payment of the cost of the land journey in advance to the member of the officer's family, if he is satisfied that the prescribed conditions are fulfilled. The fact of the payment will forthwith be intimated by the High Commissioner with full details to the officer and also to the audit officer in India.

Part III.—General.

(1) In urgent or special cases the Governor-General in Council may sanction such modification of the procedure prescribed in these regulations as he may deem to be necessary.

(2) The High Commissioner and the Audit Officers in India may adopt, in exceptional cases not covered by these regulations, a suitable procedure provided that the spirit of any of these regulations is not contravened.
